

Kearfott Corporation
A Subsidiary of Astronautics Corporation of America
Motion Systems Division (MSD)
2658 US Highway 70 W, Black Mountain, North Carolina 28711-9111 USA

On January 01/94, the United States passed into law the North America Free Trade Agreement that allows for preferential duty treatment among the countries of Canada, Mexico and the United States.

U.S. Customs requires us to compile, file and report the contents of this questionnaire. Upon completion, please return it to us.

1. Does your company purchase overseas raw material of parts that go into the product(s) that you manufacture in the U.S. and are sold to us?

_____ No (If No, skip to the bottom of page, sign and return)

_____ Yes (If Yes, continue with Questionnaire)

List all material(s) or parts purchased overseas for each product sold to us:

2. Does any of your product(s) have more than 70% overseas cost content?

_____ No (If No, skip to the bottom of page, sign and return)

_____ Yes (List products and percent of overseas cost content)

Purchase Order No.
